

# Visit Mexico and Central America

## Pricing Your Itinerary

10 November 2009

### Easy fare structure

The price you pay for your oneworld Visit Mexico and Central America pass is easy to calculate. There is a flat rate for each flight you take, Fares are available for both Economy and Business cabins.

Fares are calculated per sector and are exclusive of any taxes and passenger fees (which must be collected separately). These fares are limited to availability and capacity controls. Cancellation and amendment penalties apply, subject to conditions of fare.
